

OPPOSITION IN CONGRESS WILL FORCE TAX BILL

Administration Is Aware of Hostile Elements; Prefers to Remain Passive

WOULD BUILD UP BUSINESS
Coolidge Tactics Leave Door Open to Insurgents and Democrats

BY DAVID LAWRENCE

Washington, D. C.—The tactics of the Coolidge administration have left open the door to insurgent Republicans and Democrats to press for a revision of the tax laws at the December session of congress. The administration is making it plain that the present law should be permitted to operate and no changes undertaken until after July, 1925, but already some of the leaders who have returned say congress will not be bound by such a policy.

Just at the moment the administration is aware of the hostile elements in congress and prefers to let things alone until the new house and senate come into power in December, 1925. But the opposition party in congress is sure to take the initiative instead and although a bill drawn by a coalition of insurgent Republicans and Democrats could still be vetoed by the president and probably fail of passage over his veto, still the political consequences of such an act would weigh heavily with those responsible for blocking tax reform.

The truth of the matter is the administration fears to use the compulsory little in the reduction of high surtax rates with the present congress. In other words, the treasury's idea of tax reform which has been accepted by the president is that a scientific revision is one which affects the larger incomes and stimulates business. The insurgent Republicans and Democrats, in fact a substantial majority in both houses, took the opposite view at the last session and they are going to take that same viewpoint again, namely, that government finances reveal a surplus and this should be distributed to the people with smaller incomes get the benefit of it.

OVERLOOK PUBLICITY
One factor which has been introduced into the situation and which probably was not foreseen by the administration was the impression made by the publicity of tax returns. Congress has been showing a tendency in recent years to get after the persons of large income so that more taxes might be collected and the burdens of the numerous small taxpayers relieved.

Political capital was made in the last session of congress out of that theory of taxation and the present law is the direct result. While some reduction was given to persons of large income, the benefit of the surplus was really bestowed on the several million taxpayers who earn less than \$10,000 a year.

Under the circumstances the administration is hardly disposed to take the initiative and will prefer to remain on the defensive. But the opposition party will not be content to accept such a policy and if it were for no other reason than to appear before the public as much more interested in the small taxpayer than is the administration, the effort would be made to revise the law regardless of how successful it might be.

That can be said at the moment is that the statements issued from authoritative quarters and the present law will be no tax revision recommended is confined only to the executive branch of the government and is no index of what congress will do, or at least try to do.

CHECKUP INCREASES LEAD OF MA FERGUSON IN TEXAS

By Associated Press
Dallas, Tex.—Mrs. Miriam A. Ferguson's majority for governor in the returns from 246 counties out of 252 tabulated by the Texas Election Bureau, is 114,935 instead of 112,235 as announced Saturday. The vote in Fannin county was erroneously tabulated at 1,450 when it should have been 4,160. The corrected totals are: Butte 303,669, Ferguson 417,604.

World Faces Shortage Of Bread Grain

By Associated Press
Ottawa.—The world this year faces an estimated bread grain shortage of 574,000,000 bushels—401,000,000 of wheat and 173,000,000 of rye—it is estimated by T. K. Doherty, commissioner of the international institute of agriculture at Rome.

The estimate is based upon official returns to the institute from all important countries of the world with the exception of Russia, Mr. Doherty said.

Present forecasts of European requirements have ranged from 600,000,000 to 650,000,000 bushels of wheat, he asserted. He estimated that the bread grain shortage in Europe as compared with production and consumption last year would be 340,000,000 bushels of wheat and 107,500,000 of rye.

400 CAUGHT IN FIRST CAST OF DEVER DRAGNET

Chicago Authorities Hold Suspects for Identification

By Associated Press
Chicago.—Police Sunday arrested a total of 400 men as the result of Mayor Dever's order to rid the city of gangsters gunmen and criminals.

The prisoners were held while about 200 persons, men and women, looked them over in endeavor to identify robbers and other criminals. But the drive which netted the police the group, failed of harboring the more influential members of Chicago's gangs, the police said.

The mayor has ordered the police to redouble their efforts in "cleaning up the city." Known haunts of the underworld were usually deserted, the police finding the drive difficult as a result.

Unrest among gangsters which brought about the "clean up" orders, followed the slaying here of Dion O'Banion, gang leader and florist. Lieutenants of the slain man have threatened reprisals, the police said.

In connection with the drive, county officers Sunday night were compelled to maintain an all night vigil over the grave of the slain gangster. Reports reaching the superintendent of the cemetery where O'Banion is buried were that attempts would be made to steal his \$10,000 silver and bronze casket.

GERMANS RESUME CONTROL OF RAILS

Franco-Belgian Forces Evacuate Offices at Midnight Sunday

By Associated Press
Essen, Germany.—The railways in the occupied area were turned back to Germany at midnight by the Franco-Belgian railway administration as arranged in the carrying out of the Dawes plan, without a hitch or untoward incident.

Most of the French officials had already left for France, thereby enabling many of the German officials to return to their former quarters. The money changers' offices at the stations were closed, as German money will again be accepted in payment for tickets. The railway book stands likewise have been turned back to the German concessionaires.

STATE ADJUTANTS OF LEGION MEET

Indianapolis, Ind.—A conference of state adjutants of the American Legion here Monday heard of the work of the Kansas department in child welfare work from Ernst A. Ryan. The first regional Legion Kiddies was established near Independence, Kans. he said, following a gift of a \$58-acre farm and \$25,000 cash by Ben A. Dabney of Independence. The gift was made in memory of his two soldier sons.

Plans for a complete child welfare survey of the various state departments will be discussed by the adjutants in cooperation with the welfare committee of the national legion organization.

London.—American Ambassador Kellogg Monday took occasion to deny reports published by several newspapers that he was planning to resign. He declared he had no intention of resigning or of returning to the United States in the near future.

Ranchers Shut Off Los Angeles Water

Waste Gates of Aqueduct Captured Sunday by Organized Bands and Will Be Held to Force Agreement

By Associated Press
Bishop, Calif.—What started out Sunday as a water spilling raid on the Los Angeles aqueduct near Lone Pine south of here, Monday had settled down into an organized occupation of the Alabama waste gates by a small army of Owens valley men determined to keep the water of the aqueduct flowing out of the aqueduct through the spillway until the City of Los Angeles settles its long-standing water feud with valley ranchers in a manner acceptable to them.

The waste gates were captured

early Sunday by a raiding party which arrived in automobiles, brushed aside the city employees on guard, opened the gates and then, after having diverted Los Angeles' chief source of water supply into the nearby Owens river, defied both the aqueduct authorities and the Inyo-co sheriff to drive them out.

To Sheriff C. A. Collins, the raiders announced they would hold the gates until "a committee comes up from Los Angeles and settles things with us," and according to Harry Glasscock, editor of the Owen Valley Herald and spokesman for the ranchers, this ultimatum will be backed by the organized efforts of several hundred men and women.

The 50 men left on guard at the waste gates Sunday night will be relieved by others Monday, Glasscock told the Associated Press and thereafter for as long as may be necessary, the guard will be maintained by relieving its personnel with fresh men every 24 hours. Sunday a hundred men held the gates.

STROKE IS FATAL TO AGED MOTHER OF WORLD BANKER

J. P. Morgan Leaves Paris Conclave but Fails to Arrive in Time

By Associated Press
Highland Falls, N. Y.—Mrs. Frances P. Morgan, widow of J. P. Morgan, died at her home here Sunday night. Mrs. Morgan, who was 82 years old, suffered a stroke ten days ago, followed by pneumonia. She had been unconscious four days. Efforts were made to prolong her life, until the arrival of her son, J. P. Morgan, from an European trip. He is expected to reach New York on Friday. Arrangements for the funeral will be held in abeyance until his arrival.

Mrs. Morgan also is survived by three daughters, Miss Anne Morgan, Mrs. Juliet Hamilton and Mrs. Herbert L. Satterlee, all of whom had been at their mother's bedside for a week.

New York.—J. P. Morgan, whose mother died at Highland Falls, N. Y. Sunday night, now is on his way home from Europe. He is expected to arrive in New York on Saturday morning from London, on the steamship Berengaria, after he had learned of his mother's serious illness.

Mr. Morgan who is head of the banking house bearing his name, was in Paris negotiating for a French loan in the United States when he was called home because of his mother's illness. His assistants remained in Paris to continue the negotiations.

The Berengaria is due to arrive here Friday afternoon.

LABOR FEDERATION OPENS CONFERENCE

Mexican Confederation Meets in Juarez Across Line at Same Time

By Associated Press
El Paso, Tex.—The forty-fourth annual convention of the American Federation of Labor opened here Monday. Some 400 delegates, spokesmen for approximately 3,000,000 workers affiliated with 107 craft organizations entered the initial session faced with the task of shaping labor's program in industry, politics and civic enterprise for the coming year.

Debate in three departmental conferences last week forecast a general convention keynote on a determined stand against wage reductions.

Labor interests of two nations centered in this district Monday, for, as the American Federation opened its convention here, the Mexican Confederation of Labor met in Juarez, across the international border.

PROTEST SLIGHT TO NEGRO HEROES

By Associated Press
Washington, D. C.—Vigorous protests are being made against the separation of the names of white and negro troops employed killed in the war, on tablets recently placed in the lobby of the department register's office.

One of the protests, addressed to President Coolidge by West A. Hamilton, commander of the James E. Walker post of the American Legion, described the action as "a most vicious bit of discrimination and un-Americanism." Secretary Slomp replying, said the matter had been referred to Secretary Mellon at the president's direction.

HEARING IN SMALL CASE IS SET FOR NEXT WEEK

Springfield, Ill.—Declaring at the civil suits against Governor Small should be brought to as speedy a termination as possible in order to exclude political consideration from the outcome, Circuit Judge Frank Burton Monday ordered attorneys for Governor Small to file their bill of exceptions to the ruling of Master-In-Chancery Bringle by Thursday of this week and indicated that the hearing on the bill would begin next week.

COURTS CAN'T REVIEW VET BUREAU DECISIONS

Washington, D. C.—Compensation ratings made by the United States Veterans Bureau are not reviewable by the courts, the supreme court held Monday, except when it is shown that they are wholly unsupported by the facts and are "capricious" or arbitrary.

CITY MOURNS AT LAST RITES FOR EDUCATOR

Huge Crowd in Chapel Hears Dr. Plantz Eulogized as Great Man

Dr. Samuel Plantz, president of Lawrence college, was laid to rest in Riverside cemetery Sunday following one of the largest funeral services ever held in Appleton. A throng that could hold gathered to pay its last respect to the stricken college leader, and to eulogize his greatness and remarkable character.

It was a hushed and sober audience awed by the knowledge that a great man was passing, that sat silently while the casket of silver gray slowly descended the aisle to repose at the front of the chapel while the service was in progress.

Soft music by Fullinwider quartet, two anthems by the Schola Cantorum of Lawrence college, and eulogies by Dr. J. H. Tippet, L. M. Alexander of Port Edwards, Judson G. Rosebush, Dr. Wilson S. Naylor and F. J. Hawwood made up the public memorial program. The prayer was offered by Dr. H. E. Peabody, pastor of the First Congregational church and the scripture by Dr. Virgil B. Scott of Memorial Presbyterian church.

TRIBUTE TO PLANTZ
The speakers all referred to the outstanding character of Dr. Plantz, his achievement in building up a great educational institution and the widespread service he had given to his own community and the state and nation. He was described by Dr. Naylor as a martyr to the cause of molding young people of high character.

After this service was over the casket was conveyed to the hearse and the mourning throng made up the long procession which escorted the body to Riverside cemetery for the final rites.

Half an hour before the public service began at the chapel Dr. J. A. Holmes, pastor of the First Methodist church, conducted a private service at the home for members of Dr. Plantz's family. The body then was conveyed to the chapel, where more than 1,500 persons had assembled. Several of the churches suspended services so their members could attend.

BLANKET OF FLOWERS
The entire front of the chapel platform was banked with the flowers which had been sent by friends and organizations of the deceased president. A beautiful blanket of roses covered the top of the casket itself.

Crowds began coming at 10:30 so as to be sure to find seats. Half of the downstairs was reserved for students and members of the faculty. The latter came in a body and the students came in groups representing fraternities, sororities and the school at large. In the audience were many.

WATCH ATTITUDE OF U. S. ON OPIUM

Japan Refuses to Ratify Pact Unless Freedom of Importation Is Sure

Geneva.—The probable attitude of the United States at the international opium conference to open here Monday was the subject of eager discussion following the sensational collapse of the preliminary meeting.

The first conference closed Sunday without achieving either of the subjects for which it was convened. It failed to form any estimate of the amount of opium required for smoking purposes or of the date when importation of the drug for this purpose could be terminated, and took no measures to curb illicit production in China.

Japan's spokesman declared that until he was assured freedom of opium importation, his country would not sign the convention which had been drawn up in rough form.

BROADWAY MOURNS VETERAN PRODUCER

By Associated Press
New York.—Edward E. Rice, 75, veteran theatrical producer and known as the "father of burlesque," died at a hospital Sunday night after a week's illness. The National Vaudeville association will conduct a service for him on Tuesday morning. "Evangelist," produced in 1874, was among his more important productions. Others were "Conrad the Corsair," "Hawatha" and "Horror." He was credited with having discovered many of the famous stars of the day including F. B. Goodwin, Lillian Russell and Will H. Crane. He was noted along Broadway for his aversion for what he considered the vulgarity of modern musical shows.

DAVES UNDERGOES HERNIA OPERATION

By Associated Press
Chicago.—An operation for hernia was performed successfully Sunday upon Charles G. Daves, vice president-elect. Mr. Daves was stricken while taking a bath before breakfast Sunday. Dr. William R. Parkes Monday said the operation was a minor one and that Mr. Daves could leave the hospital in two weeks. Strict privacy will be maintained for him for that period.

Six years ago army surgeons discovered the affliction while examining Mr. Daves for promotion to brigadier general.

GIRL IN ROGERS DEATH CASE WILL PLEAD NOT GUILTY

Answers Court Monday Despite Postponement of Trial, Is Claim

By Associated Press
New Haven, Conn.—Miss Marjorie Schneider, driver of the automobile in which Charles G. Rogers, bond salesman of Fond du Lac, Wis., and nephew of Ogden Mills Reid of New York was killed in North Haven on the night of Nov. 1 was to appear in North Haven town court despite the fact that Ward Church, prosecutor of North Haven has announced that the hearing has been postponed. This statement was made Sunday night by J. E. Goodhart, counsel for Miss Schneider, who said that he had promised to produce his client in North Haven Monday and that he would keep his word.

POSTPONEMENT IS MYSTERY

The reason for the postponement of the case in North Haven, in which Miss Schneider was to be charged with operating a motor vehicle while under the influence of liquor, remained as much of a mystery Sunday night as it was Saturday when the change in plans was first announced.

Attorney Goodhart said Sunday night that the announcement of postponement came as a surprise to him and that he could give no reason for the last minute change in arrangements.

If the case can not be tried Monday, he said, he would try to make arrangements for bonds for his client. If the postponement was to have been served on Miss Schneider in court Monday charges her with driving while under the influence of liquor her attorney said, she would enter a plea of not guilty, and fight the accusation in the courts.

STRIKE OF MINERS SHUTS COLLIERIES

Scranton, Pa.—Eleven of the twenty collieries of the Hudson Coal Co., between Forest City and Nanticoke, Pa., were idle Monday because of a strike of 14,000 mine workers, who charge the company had failed to adjust long pending grievances.

A survey showed that 8,000 miners in different parts of the company's district had heeded the advice of union leaders and remained at work. The strike order was issued by the general grievance committee at a session attended by delegates from 22 local mine unions. A telegram was received at headquarters of the Miners union here Monday from International at President John L. Lewis. He advised local leaders to exert every influence to get the strikers back to work and have their grievances adjusted through the proper channels.

PRISONER TELLS OF ROAD HOUSE ROBBERY

St. Louis.—Richard Barrow, 100, gray in a statement made to police here Sunday night, described the robbery Saturday night of 75 patrons of a roadhouse near Mitchell, Ill., in which the bandits secured loot totaling between \$8,000 and \$10,000. Barrow, arrested while asleep in an automobile carrying Illinois license plates, in which there were articles identical with those reported stolen, told police that only eight men were involved in the robbery.

THROUGH AT OPENING OF CHURCH EDIFICE

Dedication Exercises Are Held
Sunday by St. Matthew
Congregation

St. Matthew Evangelical Lutheran church was crowded to the doors at all services on Sunday, when the new building was dedicated. A number of out-of-town pastors preached. Preceding the services in the morning, the Rev. Ph. A. C. Froehke, pastor of St. Matthew parish opened the doors of the church, receiving the keys from the contractors who signified that the work was completed.

Those who preached at the morning services were the Rev. A. Spiering of New London, who was instrumental in organizing the congregation ten years ago, and the Rev. F. Brandt, assistant pastor of St. Paul Lutheran church, Appleton.

In the afternoon the Rev. Th. Brenner of Freedom had charge of the services. The Rev. E. Benjamin Schuster of Oshkosh preached in the evening.

Dinner and supper were served in the parish rooms by the Ladies Aid society. Members of St. Paul Lutheran church and St. Olaf Lutheran church, two parishes closely related to St. Matthew were invited to attend the services.

The choir of St. Matthew church, assisted by Herman Jahnke, soloist, sang at all services. Sunday school children sang at the morning worship.

Thrills That Only the Sea Can Give ---
Emotions That Only Dean Can Live

The Mighty Hurricane of Melodramatic Thrills Unleashed in
This Storm Drama of the Seas Will Sweep You Off Your Feet!

A melodramatic thunder-
bolt finding its crashing
climax in a tremendous
shipwreck.

A dramatic thunderbolt
of stormy seas and storm-
ier passions.

A Daughter of the Tur-
bulent Seas matches her
frail feminine powers
against the brutal powers
of a "sea wolf." Does
she win?

The Empress of Human
Emotions in the mightiest
of her emotional tri-
umphs.

Unconquerable — she de-

TWO YEAR TERMS FOR SUPERVISORS URGED BY BOARD

Present Law Makes Terms of Different Lengths—Can't Have Deputy

Two year terms for county supervisors coming from towns and villages recommended in a resolution submitted by the ordinance committee, consisting of Supervisors Appleton, Fuerst and Kennedy, at the meeting of the board of supervisors Saturday morning.

Some years ago the law was changed to make the terms of all county supervisors three years, but the last legislature again amended the law to make the election of town chairman who are supervisors, and the county supervisors from villages, occur every year, and fixing the terms of office of county supervisors from cities to coincide with those of other city officers, which in Appleton and most cities is two years.

The board received a copy of an act of the county board of Ashland commissioning legislation for uniform terms for all county supervisors. The ordinance committee supported the act and recommends that the term of office for supervisors from towns and villages be two years.

Among the annual reports submitted at this meeting were those of A. G. Metting, county superintendent of schools, A. G. Brusewitz, county highway commissioner, Leo J. Toonen, supervisor of assessments and assessor of incomes, also that of the county training school.

PIONEER PASSES
A resolution of condolence, introduced by Supervisor R. T. Carpenter, was passed expressing regret at the death of Paul A. Greeley of this town, its first town chairman, one of the first supervisors of the county board, and for years a mail carrier on the route between Shiocton and Shawano.

The board accepted an invitation from Superintendent Thomas Flanagan of the county asylum to visit that institution. The board will make the inspection at 2 o'clock Tuesday afternoon.

The county board, upon recommendation of the salary committee, turned down a proposal to authorize the appointment of a deputy county treasurer. A salary of \$2,500 was recommended from which the treasurer would pay for extra clerk hire.

An appropriation of \$500 for the Fox River Poultry and Stock association was recommended by the agricultural committee consisting of Supervisors Martin, Farrell and Rohan.

ASKS MORE HELP
In response to a request from Dr. C. D. Boyd of the Riverview sanatorium that the board ask the legislature for an increase in the state aid for sanatoria to make it \$7 per capita per week instead of \$5 per capita, the sanatorium committee consisting of Supervisors Farrell, Martin and Tate recommended that action, and the board accepted the report.

An application of E. A. Dettmann, Appleton, for appointment as county auditor was referred to the county highway committee. The bid for the work was placed at \$550, as compared with the \$600 bid of the present auditors, Reilly, Penner and Benton, Milwaukee.

In the report of the equalization committee on the true values of taxable property in the county, the following percentages of taxes was recommended: Town Black Creek, 2.22 per cent; Bovina, 1.248; Buchanan, 2.175; Center, 2.288; Cicero, 2.42; Dale, 2.375; Deer Creek, 1.738; Ellington, 2.754; Freedom, 3.024; Grand Chute, 4.386; Greenville, 3.720; Hortonville, 1.221; Kaukauna, 1.512; Liberty, 1.081; Maine, 1.008; Maple Creek, 1.676; Onondaga, 2.146; Osborn, 1.255; Seymour town, 2.190; Vandenberg, 1.226; Appleton, 3.397; Bear Creek, 3.46; Black Creek, .874; Combined Locks, 3.261; Hortonville, 1.195; Kaukauna, 3.119; Kimberly, 4.318; Little Chute, 1.453; New London, 1.346; city of Seymour, 1.867; Shiocton, .34.

Under this plan cities and villages will pay more than 66 per cent of county taxes, the towns pay over 43 per cent, and Appleton pays about 34 per cent.

EXTRA! DINNER, 11:30-1:30

William Webster received a telegram that his father, John Webster, died in Onondaga, Ontario, Canada, where he had made his home the last few years.

Word was received here that Henry Guertel had his left leg crushed between the elevator and door when the elevator dropped unexpectedly at a mill where he works in Kaukauna.

MR. AND MRS. FOSE ARE OVERCOMING ILLNESS

Alderman and Mrs. Charles Fose, both of whom are ill, are in a favorable condition and making progress toward recovery. Mr. Fose is at St. Elizabeth hospital, where he submitted to an operation for appendicitis. His condition was serious for several days but has taken a favorable turn. Mrs. Fose is confined at her home at 661 State st. Miss Mildred Fose of Milwaukee, who was called home, left Sunday to resume her work.

Kansas City Doctor Invents New Truss

New Discovery Heals Rupture Without Operation

A new discovery which, experts agree, has no equal for curative effects in all rupture cases, is the latest accomplishment of the well-known hernia specialist, Dr. Andrews 7468 Koch Bldg., Kansas City, Mo. The extraordinary success of this new method proves that it holds and heals a rupture. It weighs only a few ounces. Has no hard gouging pads, no elastic belt, no leg straps, no steel bands, and is as comfortable as a light garment. It has enabled hundreds of persons to throw away trusses and declare their rupture absolutely healed. Many of these had serious double ruptures, from which they had suffered for years. It is Dr. Andrews' ambition to have every ruptured person enjoy the quick relief, comfort and healing power of his discovery, and he will send it on free trial to any reader of the Post-Crescent who writes him. He wants one person in each neighborhood to whom he can refer. If you wish to be rid of rupture for good, without an operation, take advantage of the doctor's free offer. Write him today. NO FREAK CLOTHES FOR GREAT SINGER

One of the welcome changes which has been brought about by the modern world is the disappearance of the "freak" musician who sought to impress by his long hair and grotesque clothes. It is a rare thing to see such a man nowadays and the change is not due in small measure by the success achieved by various singers and instrumentalists who have discarded all this and have been content to be simple and unaffected, manly men and women. The artist of today must stand on his merits as an artist.

Such a man as Reinald Werrenrath, the distinguished baritone who is to appear at Lawrence Memorial chapel on Tuesday evening under the management of coming artists series is a case in point. He is adjudged one of the finest artists now before the public, yet no one meeting him casually without knowing who he was, would suspect him of being anything but a perfectly normal American who goes to his office at nine in the morning, left at five in the afternoon and play golf furiously all his week-ends. "Singing," says Mr. Werrenrath, "is a very definite form of exercise, and is better paralleled to the game of golf than any other athletic sport. Every motion in golf helps the singer, particularly the swing of the arms, which relaxes and develops the muscles around the waist."

PARKS CAR IN CENTER OF STREET; GOES TO SLEEP

The incident of the man "asleep at the switch" was reenacted in a somewhat novel manner Sunday night at Lawrence and Pacific sts. A resident living in that vicinity saw a Moon automobile parked in the center of the street and telephoned the police station to inform them of the affair. Three officers hurried to the scene and there found the driver in the car, altogether insensible to the danger, for he was sound asleep. He was ordered in no small tones to drive home immediately.

NIMRODS ARE ONLY AUTOISTS WHO HAVE USE FOR CAMPSITES

Hunters on their way to the marshes and the northern woods are about the only autoists who patronize the municipal campsite at Aldica park these days, according to George Merkel, caretaker. There are days at a time when no campers appear, and then several cars will drive in for a night.

The hunters do not seem to mind the cold weather and camp out just as though it were summer. They are dressed warmly, of course, and have good sleeping equipment.

Tourists never are disappointed as to being able to use the campsite, since it never is closed. Mr. Merkel lives there all year around and looks after the needs of any who may arrive.

LEIGH HOOLEY COMES HERE FROM HONOLULU FOR VISIT

Leigh Hooley, boy's work secretary of the Y. M. C. A. in Honolulu, Hawaii, is visiting Appleton friends for a few days. Mr. Hooley formerly attended Lawrence college and he held the Honolulu position for the last two years. He is in this country on a month's leave of absence. While at Lawrence he starred on the track team for three years, running the mile and half mile. He is a member of Maca vana's honorary fraternity and Delta Iota fraternity. Mr. Hooley will best be remembered by the people of Appleton for his interest in Boy Scouts here.

THIEVES BREAK INTO NEIGHBORHOOD STORE

"Clarence" Well Played By Amateurs

Tarkington Play Will Be Repeated Tonight by Columbian Club

Those who saw Tarkington's play, "Clarence," in Columbia hall Sunday night were not disappointed. For the performance carried all the charm that made it such a success on Broadway. The play was well directed and staged and the performance was finished and smooth with none of the gaps and waits that so often detract from amateur theatricals. Miss Ruth McKenna of the high school faculty directed "Clarence," for Columbian club of St. Mary parish. It will be repeated Monday night.

George Bellin in the role of "Clarence" made the character delightful and convincing. He kept his audience entertained from the moment he entered upon the scene in his blitting uniform and with his slouchy walk until the final act, when he blossoms forth in the most approved college boy attire.

Miss Lucille Fitzsimmons as Violet Pinney, the governess, played opposite Mr. Bellin. She took her part well and provided an excellent contrast to the gaminism of Clarence. Harold McGilgan, the worried father in the Wheeler family gave one of the best performances. His difficult part was never overplayed and like Mr. Bellin, he was never out of character. Miss Margaret Thompson, as Mrs. Wheeler's haughty, jealous and beautiful wife, carried her part well and received a large part of the acclaim given the actors.

Bobby Wheeler, played by Lester Ballet, and Cora Wheeler, played by Miss Evelyn Long provided most of the amusement and did it exceedingly well. Miss Long was perfect as the little girl with her first love affair and her spats with her brother, Bobby, who believes himself a man of the world despite the fact that he has not finished school, kept the audience in laughter.

Miss Maria Tobin as Mrs. Matryn, Mr. Wheeler's tactful and efficient secretary, Miss Louise Ryan as Della, the Wheeler's maid, Walter Fountain as Dinwiddie, the butler in the Wheeler home, and George Hoeftel as Hubert Stern, the cross widower, all played their parts well.

D. A. R. Will Hear Address By Mrs. Mills

Mrs. W. S. Mason, 424 College-ave, will entertain the Daughters of the American Revolution at 8:30 Friday afternoon at her home assisted by Mrs. Earl Baker. The roll call will be answered by each member with the name of a famous battle of the World war. Mrs. N. P. Mills will give a talk on the Restoration carried on by the Daughters of the American Revolution in France.

PARTIES

Miss Caroline Wilz entertained 20 guests at a birthday party at her home on the Manitowoc Sunday evening. The evening was spent with games and dancing, after which a chicken dinner was served. Prizes were won by Gerald Eckrich and the Misses Mabel Eckrich and Julia Arno. Out-of-town guests were: A. Kelly, Joseph Detlaft, E. Zinsek and the Misses Juanita and Julia Arno, Oshkosh; Walter Gerend, Kaukauna; Emil Seifert, Waukegan.

Mrs. Joachim Brandt entertained a group of relatives at her home at Black Creek Sunday. The occasion was her seventy-fourth birthday anniversary. Those present were: Mr. and Mrs. August Brandt and family, Mr. and Mrs. Irvin Brandt and family and John Brandt, family, Appleton; Mr. and Mrs. William Schmidt and family, Mr. and Mrs. Rhinhardt Wolf, Mr. and Mrs. Henry Brandt and Mrs. Julius Endlich, Black Creek; Mr. and Mrs. Robert Diderich and family, Green Bay. The day was spent with cards and music.

Mr. and Mrs. Fred Genske of Hilbert, entertained the children Sunday evening in honor of their fifth wedding anniversary. Those present were: Mr. and Mrs. Henry Thiel and family and Mr. and Mrs. John Genske and family, Hilbert; Mr. and Mrs. Robert Genske and family, Appleton. The evening was spent playing cards.

Miss Clara J. Seio was guest of honor at a linen shower given Friday evening by the R. T. B. club at the home of Miss Lorena Buchholz, Onondaga. Prizes were awarded to the Misses Dora Radtke and Anita O'Connor. The next meeting of the club will be at the home of Mrs. E. F. Schneider, College-ave.

About 30 friends surprised Albert Beltz Saturday evening at his home at 699 Green Bay-st. in honor of his birthday anniversary. The out-of-town guests included Mr. and Mrs. John Marineau of Marinette, and Mr. and Mrs. Frank Engal of Menominee. Mich. Dancing furnished entertainment, and music was provided by Charles Nagreen and his daughter, Mariet.

Miss Hilda Rohloff entertained the Marcheta club Saturday evening at her home at 1051 Superior-st. The girls attended the theater, and returned to the Rohloff home afterwards for a slumber party.

Parents and friends of children of Richmond school are invited to a card party and dance at 8 o'clock Thursday evening in the schoolhouse. Schafkopf will be played.

The Tangle

LETTER FROM JAMES CONDON TO SALLY ATHERTON, CONTINUED

Then, Sally, sweetest of women, I determined to put everything to the test. I determined to go and see you, my beautiful one, I determined to find out if I was strong enough to let the sight of you and your indifference cauterize the wound and heal it even if it did leave a scar. Of course, it was very inconsistent, as you pointed out, for me to have thought for one moment that you would break any engagement for me when I had not told you I was coming, but I confess I was very unhappy to find that you could not dine with me that first evening. It seemed to me that under like circumstances I would have broken any engagement to be with you—but then, my dear, I love you and I want to be with you. You are satisfied to let me love you, and your being with me is not so important.

I went out to a restaurant that night and by some mischance I found myself beside a table which was filled by six men. I couldn't help overhearing what they said—they did not lower their voices. I know, dear, that before this you have found out that men are much greater gossipers than women, and their scandalous comments seem to carry more weight. Whenever any one hears a woman say an unkind thing about another woman, he always takes it with a grain of salt, and Mr. Man looks at Mrs. Woman, who has been recounting the ugly gossip, and says "Just so."

But when a man repeats the nasty innuendoes, the listener shakes his head sagaciously and whispers: "He must know what he's talking about." All this philosophizing, my dear Sally, rather clutters up a love letter, doesn't it? But it is just to suggest to you that you are wrong when you say that it is better to trust a man than a woman. Think it over, dear. I know your good sense will steer you right.

As I was writing you, I sat so near to that half dozen men that I could not help listening when I heard your name mentioned. Said one man to another: "That secretary of Jack Prescott's is certainly a hummer. What's her name?" "She's a Mrs. Atherton," answered the other. "Widow?" asked some one else. "Yes, very recently." "Over or under the grass?" "I think she's laid him away carefully with a rose upon his breast." "But she's not in mourning." "I rather think," said the first man, "that she does not mourn, and as she does not, you know she is just the kind of a woman who would scorn to pretend to do so." "I do not believe," remarked a man who before had not spoken, "that a woman of the style of this Mrs. Atherton could really wear enough crepe to give the impression of grief. She looks to me like a very self-centered woman who is independence personified."

"What's Jack doing with her?" "Has what lovely wife of his and he had any trouble?" "Widow's out of town, I believe," remarked another man with a leer. Sally, dear, I wanted to knock his head off.

New Fraternal Order Will Be Established Here

The Macabees lodge, composed of Neenah and Appleton people, will have its first regular meeting at 7:30 Monday evening in Miss Emma C. Kotick's office, 841 College-ave. The state organizer will be present at the session, and will take up the matter of technicalities of organizing.

Meetings also will be held Wednesday afternoon and evening when final organization, initiation and installation will occur.

LODGE NEWS

United Spanish War Veterans will meet at 7:30 Tuesday evening in Armory G. This is a special meeting to decide the question of uniforms, and all members are urged to be present.

Ladies Auxiliary of Eagles will meet at 2:30 Wednesday afternoon in Eagle hall. Eleven candidates are to be initiated.

A large crowd of young people attended the meeting of Junior Mooseheart chapter, No. 14 Saturday in Moose temple. Song practice and regular business matters occupied the afternoon, and gifts for the fish pond were turned in. They will be used in the Moose bazaar this week.

Waverly Chapter, Masonic order, will hold a meeting at 7:30 Tuesday evening in Masonic temple. Master mason degree will be conferred.

Fraternal Reserve association will meet at 8 o'clock Tuesday evening in Gil Myse hall. Routine business matters will be discussed.

Pythian Sisters will have a meeting at 8 o'clock Tuesday evening in Knights of Pythias hall. Regular business will be transacted.

The regular meeting of the Auxiliary of Catholic Order of Foresters will be postponed from Wednesday evening of this week to the first Wednesday in December. Installation of officers will occur at that time. The cause of postponement is the large number of other activities that are in progress this week. Rehearsals for "Faust," and the St. Elizabeth club banquet are occupying the time of many members.

Loyal Order of Moose will meet at 8 o'clock Tuesday evening in Moose temple. Final arrangements for the Moose bazaar will be made, and other business matters are to be brought up.

CHURCH SOCIETIES

A special meeting of the Woman's union of First Congregational church will be held at 1:30 Tuesday afternoon in the church parlors. The members will continue their work for the bazaar which will occur on Dec. 2.

Kaukauna RepresentativeCONGREGATION IS
DEBATING KIND OF
ORGAN TO INSTALLBrokaw Church Improvements
Held Up Pending Organ
Decision

Kaukauna—Repairs and improvements to Brokaw Memorial Methodist church have progressed rapidly up to this time but work on the addition of three rooms to the rear of the building is being held up pending the action of the congregation in selecting a pipe organ. Two organs are being considered and as soon as one is chosen efforts will be made to have it installed by Christmas.

The three proposed organs have already been built. The first is on the left of the pulpit rostrum. It has an outside entrance on Porter-st and will be used as the choir room. In the center is the organ room while at the right is the pastor's room, also with an outside entrance. The organ room is ready for the installation of the organ.

Attractive light fixtures have been installed and one more light has been added in the audience room. Each light is controlled by a separate switch. Redecorating will not commence until all remodeling has been completed.

A basement has been dug out under the three new rooms and made part of the main basement, giving the congregation a spacious cellar under the entire church and Epworth home which adjoins the temple on the south. A large furnace is being set up in the new cellar which will be used in conjunction with the old furnace. The entire work will cost approximately \$1,500.

LADIES! DARKEN
YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody will Know.

The use of Sage and Sulphur for restoring faded gray hair to its natural color dates back to grandmothers' time. To use it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyle's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

Well-known druggists say it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

FIRE SIREN SENT
BACK TO COMPANY

Neenah—Fire alarms will again be sounded temporarily by the whistle of one of the papermills. Wire connections between the quarters occupied by the fire department in the city hall and the mill were completed Saturday noon, and the sirens in the tower of the city hall which were given official tests last week, will be repaired at once and returned to their respective manufacturers as not satisfactory. The mill whistle has been used as a fire alarm for some time.

Twin City
Personals

Neenah—Mrs. Walter Handler was moved Saturday from her home on Webster-st to Theda Clark hospital in the city ambulance.

MARTELL'S INJURIES
HEALING AT HOSPITAL

Menasha—Joseph Martell, former motorcycle officer who was injured while in the performance of his duties several months ago, and who has been in Theda Clark hospital ever since, is now making good progress. The calf of his leg which was badly lacerated has healed making it possible for his physician to reduce a compound fracture of the leg and place it in a cast.
The fund of \$900 contributed by friends through the efforts of City Clerk J. F. DeCaro and Ira Clough, will be presented to Mr. Martell Monday and will make it possible for him to provide himself and small children with comfortable clothing and food for some time to come.

CHRISTMAS "MAIL EARLY"
DRIVE STARTS IN NEENAH

Neenah—Printed notices signed by Harry S. New, postmaster general, requesting people to mail their Christmas parcels, cards and letters early are conspicuously displayed in the lobby of the postoffice. Patrons of the department are requested to wrap their parcels securely, address them plainly and supply return addresses. Mails may be marked "Not to be opened until Christmas," the postmaster general said.

CITY OFFICIALS INSPECT
KAUKAUNA QUARRY BINS

Neenah—The street, highway and bridge committee of the common council composed of Aldermen Arsmann, Herziger, Marton, Janison and Porath visited Kaukauna Friday to inspect the crusher storage bins of George Kline's quarry, formerly owned by Luther Lindauer. The common council has the building of new bins under consideration, but has not made definite plans.

AUTOISTS FORGOT SNOW

BORROW \$20,000
FOR CITY'S NEEDS

Neenah's Improvements This Year Make Original Budget Inadequate

Neenah—Neenah expended approximately \$70,000 on sewers this year, very little of which was provided for in the annual budget and close to \$50,000 in the water department which included the purchase of new oil engines, new pumping equipment, compression generators, and addition to the building and extension of water mains. As a result the city will have to borrow money to tide it over until tax time for the first time in several years. It is estimated that not more than \$20,000 will be required.

Rheumatic
Poison

Rheuma Acts on Kidney, Liver and Bladder the Very First Day

Get a bottle of Rheuma today and wear a satisfied smile on your face tomorrow.

It's a remedy that is astonishing the whole country, and it's just as good for gout, sciatica, lumbago and kidney misery as for rheumatism.

It drives the poisonous waste from the joints and muscles—that's the secret of Rheuma's success.

But we don't ask you to take our word for it; go to Schlitz Bros. Co. or any good druggist and get a bottle of Rheuma today; if it doesn't do us we promise get your money back, it will be there waiting for you.

Taste Of
Winter Is
Given City

Dame Nature gave Appleton a kindly warning within the last two days that the balmy Wisconsin fall is over and that the rigors of winter are near at hand.

Sunday the thermometer descended low enough to make everybody build warm fires and Monday morning the community was blanketed with snow from a storm that kept up most of the day. There have been several slight snowfalls but this was the first time the ground remained white.

People are hoping that this is not the actual beginning of winter, for they seek a repetition of last season when the weather was mild until New Years.

Automobiles seemed to be annoyed most by the snow, for machines were skidding everywhere, some of them meeting with mishaps. Cars were obliged to use the dirt road on Appleton-st hill instead of the Pearl-st hill because they were unable to gain sufficient traction on the slippery blocks.

PEABODY WILL SPEAK
AT ROTARY MEETING

Dr. H. E. Peabody will speak to the Rotary club at the luncheon at 1 o'clock Tuesday noon in the Conway hotel. Following his address, a musical program arranged by Dean Carl J. Waterman and Carl McKee of Lawrence conservatory will be presented.

League Meets

The yearly meeting of the Young Peoples league of St. John Evangelical church will be held at 7:30 Tuesday evening at the church parlors. Election of officers will occupy the evening. All members are expected to attend.

Charles Kuether, Frank Kirk, Herman Kostzke, Henry Kostzke and Ernest Storm returned Sunday after a few days hunting at Catawba, Wis. bringing back with them three deer.

New London Woman's Suitor And Dying Mate

WILLIS NEWTON (right), WHOM LOUISE DRAEFKE OF NEW LONDON DISCLOSED WAS HER FIANCÉ, IS SHOWN HERE WITH HIS BROTHER WYLLIE WHOSE DYING WORD MAY CONVICT FOUR IN RONDOUT MAIL ROBBERY. THE NEW LONDON WOMAN WAS HELD BY CHICAGO COURTS FOR CONSPIRACY IN CONNECTION WITH THE ROBBERY, AFTER SHE TRIED TO BUY THE FREEDOM OF WILLIS NEWTON.

Chicago — From the mumbled lips of Wyllie Newton—more dead than alive—may come the story that will send seven of Newton's confederates to prison for alleged supposed participation in last spring's spectacular \$3,000,000 Rondout, Ill., mail train robbery.

Wyllie Newton and his brother, Willis, have already pleaded guilty to taking part in the robbery.

Living in the shadows, it is only a matter of time before Newton dies, according to doctors at Bridewell hospital. Wyllie was shot down by the leader of the robbers presumably for disobeying orders. Five bullets

in all entered his body. One bullet pierced his jaw, and in an effort to hide Wyllie from searching officers, his companions allowed the wound to go on without proper treatment. Now infection has set in and the jawbone is being eaten away. Doctors say the disease soon will reach his brain and that will be the end.

He is being fed liquid nourishment through a tube and part of the time he is unconscious.

But in his fleeting lucid moments authorities are seeking to find from his jumbled words the evidence that will convict his seven companions of the audacious hold-up.

DIVIDE WELFARE WORK IN CONTEST

Boettiger's Committee in Better Cities Race Maps Out Its Plans

Work in the social welfare department of the better cities contest will be divided up among members of the committee in charge of that section, under a plan designed at a meeting in the chamber of commerce rooms.

Each committee member thus is made responsible for one activity, and this makes possible the efficient promotion of the welfare section of the contest so as to help Appleton win the state prize of \$1,000 offered by the Wisconsin Conference of Social Work. Prof. L. A. Boettiger of Lawrence college is general chairman of the welfare section. Each worker is to make a survey of the activity to which he is assigned and prepare a report on which the score up to date can be computed. The committee is to meet after the general conference planned here Nov. 20, 21 and 22.

These are the committee assignments:

Mrs. D. O. Kheman, family social work; Dr. William C. Felton, care of mentally defective and mentally diseased; Mrs. Gustave Keller, Sr., coordination of social work; Capt. Edward Shaw, public relief; Dr. C. A. Ritchie, state aid to dependents and mothers' pensions; Judge A. M. Spencer, juvenile delinquents; George F. Werner, cultural contacts; Walter Joyce, protection of adolescents; J. G. Pfeil, care of dependent and neglected children; F. N. Belanger and Dr. J. R. Denyes, educational work; Hugh G. Corbett, relations of local welfare organizations and affiliation with larger groups, particularly those of state and nation.

Sidewalk to Church
A sidewalk will be built from St. Edward church to business portions of Mackville next spring. The church is a short distance from the village and because of the danger of walking on the concrete highway, the congregation has taken this step. The front section has taken this step. The front fence of the cemetery is being removed and the ground is to be leveled in preparation for the building of the sidewalk. The Rev. George A. Schemmer is pastor of the church.

550,000 a gain of \$1,554,043,000 or nearly 11 per cent more than in 1923. Trust company resources for the United States have more than doubled in eight years.

CONDEMN LAND FOR POWER LINE ROUTE

Summons were served upon approximately 25 farmers of Outagamie co. by Sheriff Otto H. Zuehlke recently in connection with condemnation proceedings instituted by the Northwestern Power company for the acquisition of a right-of-way for the extension of a power line through this county from Green Bay to Oshkosh.

Similar action has been taken by the corporation against property owners in Winnebago and Calumet counties. Arrangements were made with a majority of property owners for the acquiring of the right-of-way, but some of them refused to agree to the terms.

In the condemnation proceedings begun in county court here, Judge Fred V. Heinemann has appointed a commission of appraisers who will fix a value on the land in question. The commissioners are Charles Stever, chairman of Winnebago, a member of the county drainage board, and Thomas J. Elanzen, superintendent of the county asylum. A preliminary survey has been made by the commission, and the appraisal will be announced at a hearing to be held in the county court chamber, Nov. 20.

LARGE CROWDS ATTEND PRAYER WEEK MEETINGS

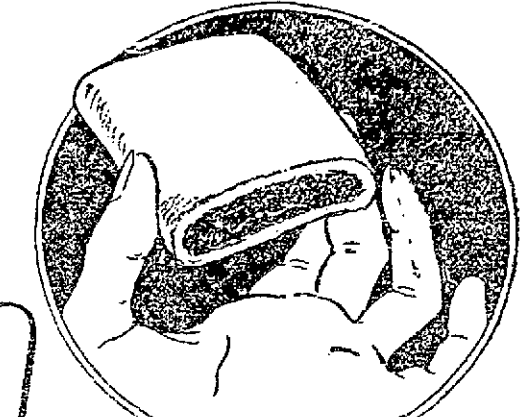

The Week of Prayer observed by the Y. M. C. A. and churches all over the county closed Saturday. The topic for Saturday was The Christian Adventure. The thought for the entire week was The Need and Hope of the World.

The week was successful in Appleton, large groups turning out to meetings in the men's lobby of the Y. M. C. A. at 8:30 each evening. Each boys club, gymnasium class, and men's meeting during the week observed the days' program. Employed officers of the Y. M. C. A. held short prayer services each morning.

APPLETON LOSES TO EAST GREEN BAY, 10 TO 6

BAYMEN SCORE IN SECOND AND THIRD PERIODS

Both Teams Play Great Passing Game with Green Bay Having Slight Edge

BAYS SCORE PLACE KICK
Orange Tallies Touchdown as Final Quarter Starts But Kick Is Blocked

Green Bay—East Green Bay Saturday afternoon defeated Appleton 10 to 6 on East Green Bay's field. East Green Bay received the kickoff and returned it to the Appleton 20-yard line where Nauman carried it over but East was offside on the play and the touchdown did not count. East was penalized 5 yards.

The first score came in the second quarter when Zuidmueler placekicked from the Appleton 20 to 10 line. Late in the third quarter, Zuidmueler shot a pass from Appleton's 20-yard line to O'Brien who ran 2 yards for the first touchdown. Zuidmueler kicked off.

In the third quarter Appleton opened up a pass attack which repeatedly netted the Orange large gains. The largest of these came at the end of the third period when Courtney shot one to Gelbke for 25 yards which put Appleton in possession of the ball on the Green Bay 20-yard line. Wenzel smashed through center for a yard but the Green Bay line held on the next two plays and the quarter ended with Appleton on the 10-yard line and third down. On the next play, which opened the final quarter, Wenzel went over and Courtney's attempted placekick was blocked.

For the rest of the period Appleton tightened its defense and continued its passing but was unable to get within scoring distance. The half was carried up and down the field several times and when the game ended after an exchange of punts in which Courtney had the best of it, Green Bay had the ball on the Appleton 20-yard line.

Zuidmueler, East Green Bay's right halfback and Nauman, left halfback, were Green Bay's best ground-gainers. Courtney played a fine game for Appleton at quarterback and was chiefly responsible for the large gains on Appleton's passes, with Gelbke, Steenis and Hieble on the receiving ends.

FIRST QUARTER
Appleton kicked off. Zuidmueler received the ball near his own goal line and returned it to the Appleton 20-yard line. Nauman carried it over on a long end run in the next play, but Green Bay was offside and the touchdown did not count. East was penalized 5 yards on the play. Zuidmueler attempted a placekick from the Appleton 20-yard line but missed. Courtney punted and Nauman returned 10 yards to the Appleton 45-yard line.

Zuidmueler made 5 yards through guard and Nauman followed with three through the same hole. A pass, Zuidmueler to Nauman gained 10 yards. Bowley recovered the ball on a fumble on his own 25-yard line. Nauman grabbed Courtney's punt on his own 45-yard line and a pass, McGuire to Nauman was good for 10 yards. Nauman and Zuidmueler each made gains of from 3 to 5 yards and Zuidmueler punted to the Orange 20-yard line. Hieble called for an open catch. The quarter ended, 0 to 0, after Appleton had failed to gain on a crossback.

SECOND QUARTER
Courtney was forced to punt after the Orange had failed to make gains. Nauman returned the ball 20 yards to Appleton's 45-yard line. Zuidmueler broke through the line for a 15-yard gain, and the next play gave the Baymen 3 yards. A pass, Zuidmueler to Nauman was good for 15 yards, and Blinsh made 10 yards through guard. Green Bay was penalized 5 yards for offside.

Short gains by Nauman, McGuire and Sargent put Green Bay on the Orange 12-yard line where Zuidmueler placekicked from the 20-yard line and sent the ball between the uprights. Score—East Green Bay 3, Appleton 0.

Bleier kicked off to the East Green Bay line and Sargent returned the ball 32 yards. Green Bay punted but recovered and Blinsh punted to the Appleton 45-yard line. A pass, Courtney to Steenis gained 5 yards and Wenzel ran around right end for 10 yards. Blinsh tackled him and Nauman intercepted a pass on his own 15-yard line and returned it 5 yards.

Appleton held firm on the next three plays and it was the Orange squad's call on the Green Bay 25-yard line. After a pass was incomplete, Wenzel went over center for 2 yards. Courtney shot a pass to the Green Bay line which ground and it was Green Bay's ball on its own 20-yard line. Green Bay was penalized 5 yards and Blinsh punted to his own 40-yard line. Wenzel and Hieble each made though for short gains and Courtney caught a bad pass to make a short advance around end. Hieble punted over the Green Bay line. After an exchange of punts, the half ended with Appleton on Green Bay's 45-yard line. Score—Green Bay 3, Appleton 0.

THIRD QUARTER
Courtney returned Green Bay's kickoff from his own line to the 20-yard line and after losing around on a bad pass punted to Green Bay's 45-yard line. Nauman returned 5 yards and followed by Courtney for 10 yards. Courtney passed to Nauman and then

ROCKNE MEN BREAK CORNHUSKER Jinx WITH 34 TO 6 WIN

Nebraskans Score in First Period but South Bend Outfit Tightens Up

Carter Field Notre Dame, Ind.—Rockne's three-year goal was reached Saturday afternoon when the timers pistol stopped Nebraska's last dying effort with Notre Dame on the long end of a 34 to 6 score.

A gridiron grid for the "Four Horsemen" and their mates. Each player distinguished himself. The second quarter was all Don Miller, the third belonged to Sleepy Crowley, the star of Green Bay, while Elmer Lavon came into his own in the fourth quarter when, aided by assistance from Doc Connell, the Beloit star, he reached the Nebraska line for gain after gain, play after play until the goal line was crossed.

STUHLREHER STARS
All four quarters belonged to Harry Stuhlreher whose daring field generalship enabled the Irish to decisively trounce the rivals who whipped them two years straight. It takes nerve to call a forward pass on the fourth down when your team is behind and deep in your own territory but that was what Stuhlreher did and what more he got away with it.

To call the roll of stars would be to name the eleven members of Notre Dame varsity and the subs who got their chance. Capt. Adam Walsh was the keystone of a defense that the Cornhuskers could not penetrate. On a punt Walsh passed the ball to Layden boat his ends down the field on a 65-yard kick and downed the receiver in his tracks.

punted. Courtney returned 5 yards and after Hieble had gained 5 more, Nauman intercepted a long pass on the Appleton 30-yard line and returned it 5 yards. After several more short advances Zuidmueler attempted another placekick but missed.

Courtney punted offside to his own 20-yard line and Zuidmueler broke through the line for 15 yards. Nauman's 5-yard gain brought him to the Orange 10-yard line and after Zuidmueler had made a small gain he received a pass to O'Brien a yard from the Orange line and O'Brien fell over the line for a touchdown. Zuidmueler kicked goal for the extra point and made it 10 to 0.

Bleier kicked off to Green Bay's 5-yard line and Nauman carried the ball back 15 yards. Blinsh made ten yards around end but fumbled on his own 40-yard line where Bowley tackled the ball. Courtney's pass to Blinsh was good for 10 yards and Hieble came over center for 2 yards. Courtney shot a long pass for 25 yards to Gilbye who was on the Green Bay 20-yard line. When the quarter ended Appleton had the ball one inch from the line and it was turned down.

FOURTH QUARTER
After failing to push the ball over on the next play Wenzel smashed through and took it over but Blinsh blocked Courtney's kick and the score was 10 to 6 in Green Bay's favor.

During the rest of the period neither squad was able to get within the danger zone and they exchanged punts frequently. Both squads depended chiefly on passes for gains and in this respect Appleton had the best of it. When the quarter ended Green Bay had the ball on the Appleton 24-yard line.

PACKERS DEFEAT MILWAUKEE PROS, 17 TO 10, SUNDAY

Squads Battle on Even Terms Throughout First Half of Game

Milwaukee — Green Bay's pride the smashing Packer football team defeated the Milwaukee Badgers Sunday 17 to 10 in the best played game of professional football seen in Milwaukee this year and about as good a game as the most critical spectator could demand.

Through out the first half, the teams battled on even terms, each side scoring a field goal from almost exactly the same position, but early in the third period the Packers opened an offensive centered largely in the Badger guards and crashed and tore down the field in an uninterrupted march that gave them a touchdown when Dutch Hendrian plucked the last four yards. Old Reliable Cub Buck kicking goal.

The Badgers came right back and fought hard for a score, but after a succession of short gains, an intercepted pass gave the Packers an other chance and they began to make effective use of their famous aerial game. Completed heaves to Matthews and O'Donnell carried the ball to the 20-yard line from which point half back, Alfred O. Llewellyn, Hendrian and Llewellyn carried it over. Llewellyn made the touchdown on a four-yard smash through Milwaukee's left side.

BADGERS STAGE COMEBACK
Milwaukee came back, with the score 17 to 3 against them, and staged a remarkable rally. The Packers' Red Dunn returned to his 25-yard line, and immediately opened up with a dazzling pass attack. The readhead's cool dodging and side-stepping to get his passes away with the Green Bay forwards all around him, was superb. A running pass to Winkelman was good for 15 yards, then after a brace of line drives, he hit the end for Jimmy Conzelman that was the most sensational play of the afternoon. Dunn had to run fat to the side to escape the rushing Packers and then sent a long high pass, far down the field. Conzelman had started down the east sideline and he cut over toward the center for the ball. Two Packers backed under it far ahead and it looked like an utterly impossible chance, but Conzelman tore on leaped high in the air and grabbed the ball in above the up-reaching Packer hands. It was such a catch as one sees only once or twice in a lifetime. It acted as an inspiration to the Milwaukee team.

A moment later, Red Dunn, back for a pass, saw all his receivers covered and dashed around left end for a beautiful run which only ended when he was forced out of bounds at the Packer 1 yard line. It took everything the Badgers had to put the ball over. Once Roane was stopped and once Winkelman failed but on the next play Benny plunged over Wootton for the touchdown. Dunn kicked goal, making the score 17 to 10.

BROWN WINS OVER HARVARD, 7 TO 0
Cambridge, Mass. — Brown defeated Harvard Saturday for the third successive year the score being 7 to 0. Recover of a Harvard fumble by Captain Sheldon of Brown on Harvard's 30-yard line in the second period marked the beginning of a march down the field that took the attackers across the Crimson goal line. The game was a dull contest with frequent fumbles and constant punts in exchanges with rushes by Keeler and Dickson of Brown as the bright spots. The all round play of Staves in the Harvard backfield also featured.

STARTS WITH SUBS
Notre Dame's hard scored victory over Rockne in the early part of the season was as much as possible. It was by so often starting a game in second string men.

Bad Break!

HALFBACK ROCKWELL

Last season when Quarterback Uteitz of the Michigan eleven was injured, the coaches uncovered a capable substitute in Rockwell.

As a matter of fact, he became the college hero over night. His run that enabled Michigan to beat Wisconsin and thereby tie Illinois for the 1923 title is now a matter of football history.

In his first big game this year against Illinois, Rockwell's judgement in handling the team failed to meet the approval of the coaches. He was shifted to halfback and in the Wisconsin game proved he is a most valuable man in the backfield despite his mediocre work at quarterback against Illinois.

In the Minnesota game, Coach Vost shifted him back to quarter and he played brilliantly.

CRIMSON UPSETS DOPE BY 12 TO 7 WIN FROM BELOIT

Ripon Shatters Championship Hopes of Tommy Mill's Gridders

Ripon—Ripon's eleven again pulled the unexpected by trimming the Beloit outfit by a 12 to 7 count. Early in the second quarter Pliolta carried the oval over the line for the first counter of the game. Olson failed in a try at goal.

Beloit countered with a counter in the close of the same period, Dawson adding the goal kick tally. In the second play of the third quarter Ripon carried the ball to the Blues' 8 yard line on a fumble. T. Olson carried the pignish over in one play. L. Olson failed to kick goal.

Ripon's strong offensive play could not be stopped. Three times to Olson tried drop kicks all failing, while Beloit's highly touted Dawson had no opportunity to use his educated foot. Ripon made seven first downs to two for the state line outfit.

The Mills' aerial attack was the only dangerous play of the Blue outfit. Ripon smothered a number of passes and intercepted four for good gains. This throws Beloit out of the running for Little Five honors and ends Ripon's dope upsetting season.

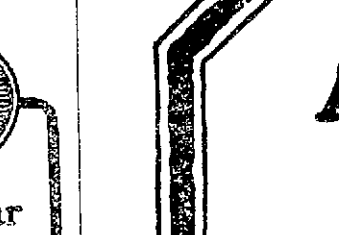

The lineup: Ripon: L. E. Christofferson, Butler, L. E. L. T. Houser, McGraw, L. G. L. G. Parsons, Kulch, L. G. C. Rose, Childs, C. R. G. Gauthier, Robotham, R. G. R. T. Stamm, Olson, R. T. R. E. NORTHWESTERN BOWS TO CARROLL, 13 TO 0

Watertown—In an exciting contest which hung in the balance until the final whistle blew, Carroll defeated Northwestern, 13 to 0. Expensive fumbling aided Carroll to win. Except for a touchdown made in the first few minutes of play as a result of a fumble, the ball was kept in Carroll's territory. Two drops were attempted by each team and fell short. Northwestern weakened in the final quarter and Carroll scored again.

TORN LIGAMENTS PUT RED GRANGE OUT FOR REST OF GRID SEASON

Chicago—Harold (Red) Grange, rated as America's outstanding football star for the 1924 season, will not play another game this season. This was established Sunday night from the University of Illinois, after the extent of Grange's injuries received in the Minnesota upset Saturday had been determined.

Grange suffered torn ligaments in his left arm and shoulder when viciously tackled, and X-ray pictures of the injury revealed that a small bone in the shoulder also had been wrenched loose. Physicians said that at least eight weeks would be required for the damage to heal. Grange is suffering acute pain, but otherwise is resting comfortably with his injured shoulder wrapped in tape.

PLACE KICK GIVES NEENAH HIGHS 3-0 WIN OVER MENASHA

Traditional Enemies Battle Fiercely but Are Unable to Cross Goals

Menasha—Before a crowd of 2,000 howling Twin City fans, Menasha lost to Neenah high Saturday afternoon, 3 to 0. It was the annual clash of the schools. Spurred on by the traditional rivalry the teams were on edge and played great defensive football.

Neenah gained an advantage on the exchange of punts in the first quarter, but was held for downs on Menasha's 25 yard line. Breidenick dropped back for a place kick and made the three points which were destined to be the only markers of the game.

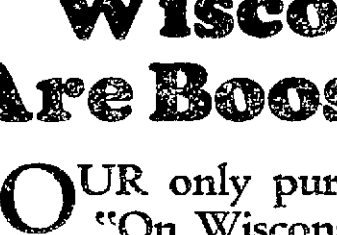

From then on the game was played in central territory. Menasha, repeatedly during the second half, carried the ball down the field on end runs of 10, 15 and 20 yards only to lose it on fumbles or intercepted passes.

Outlucked and getting none of the breaks, Menasha outplayed the Red on straight football, doubling Neenah's yardage and making first downs eight times to Neenah's three.

Although hard fought the game was clean as but two penalties were imposed, they being offside fines on Neenah. For Neenah, Koerwitz and Breidenick starred, while Smith, Remmel Jensen and McLaughlin gained most ground for the Blue and White.

Menasha and Neenah students and townsfolk crowded Recreational park School spirit evidenced by yells, stunts, and special costumes made the event one which will go down in big print in local history.

CHICAGO RISES TO TOP OF CONFERENCE IN SATURDAY PLAY

Notre Dame Advances Claim for National Honors by Beating Nebraska

Chicago—Chicago rose to the top of the heap in Saturday's western conference football championship struggles and Notre Dame advanced towards her claim for national honors.

In a day of upsets the defeat of the previously unconquered University of Illinois eleven was outstanding in Midwestern collegiate football. Minnesota soared to the power evidenced earlier in the season and trounced the Illini, 3 touchdowns to 1, and administered a severe blow in seriously injuring Harold "Red" Grange, the season's sensational back.

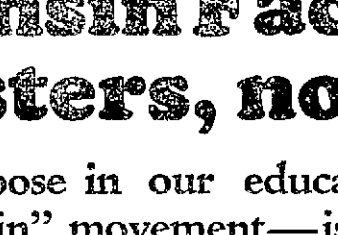

Suffering severely from a dislocated shoulder and out of the game for the remainder of the season, Grange would not deny to say that the had been hurt intentionally, but Chicago sports writers who saw the game said "when they hit Grange he was hit, and the word 'hit' is used for all its meaning." Once the Minnesota eleven was penalized 15 yards after Grange had been tackled by two men while out of bounds.

The Illinois team was sadly battered the previous week when Coach Stagg of Chicago unleashed a trio of smashing fullbacks to complete the battering administered by the strongest tackle to tackle line in the conference for a 21-21 tie.

Chicago, however also showed signs of distress as an aftermath of the Illinois game and it was only by a field goal in the last minutes of play that the Maroons scaled the heights of conference leadership over the supposedly weak Northwestern team. A victory over Wisconsin next Saturday would give Chicago an unlikely title.

In other Saturday games, Michigan posed, they being offside fines on Neenah. For Neenah, Koerwitz and Breidenick starred, while Smith, Remmel Jensen and McLaughlin gained most ground for the Blue and White.

Menasha and Neenah students and townsfolk crowded Recreational park School spirit evidenced by yells, stunts, and special costumes made the event one which will go down in big print in local history.

TILDEN SEES BRIGHT FUTURE BEFORE HELEN WILLS IN NET WORLD

Philadelphia—William Tilden insists he is unable to tell at this time who is the most prominent young tennis player in the country.

If he thinks Vincent Richards is destined to be his successor Tilden does not say so. Tilden, however, is outspoken in his praise of Helen Wills, the girl champion of California.

"I think she'll develop into one of the greatest women players of all time," says Tilden. "She is not yet at the top of her game. No one will beat her for at least five years."

YALE TWISTS TIGER'S TAIL FOR 10-0 WIN

Powerful Blue Squad Defeats
Team Which Had Downed
Harvard

Palmer Stadium, Princeton, N. J.—The Yale Bull Dog whipped the Princeton Tiger here Saturday afternoon, 10 to 0, in their forty-eighth engagement and spoiled the Princeton ambition to be undisputed ruler of the Big Three. A crowd of 60,000 people filled the huge stadium in one of the most colorful gridiron battles of the year. Princeton, a week ago, had turned back Harvard and was considered to have an even chance against the big Blue squad.

Princeton had a few opportunities to score but the mighty Pond and Cottle were too good for them. The Yale passing game had Princeton puzzled and Yale's crushing line play, mixed with its air attack resulted in Princeton disaster.

Yale kicked off over Princeton's goal to start the first period. Slagle made eight yards but the Tigers were forced to punt. Yale punted back and the first Tiger forward pass was intercepted by Pond in the middle. A Yale pass, Cottle to Allen, put the ball on Princeton's 28 yard line.

Three Yale plays failed and Yale missed a drop kick from the 32-yard line. Princeton punted out and a punting exchange followed and a fifteen yard penalty set the Blue back in their 27 yard line. It was Yale's turn to lead. The Tigers were tackled smash for 21 yards. Yale punted and when Dinsmore fumbled Pond recovered for Yale on Princeton's 44 yard line.

A forward pass and two 5-yard plunges by Pond, put the ball on Princeton's 8 yard line as the first period ended, but Princeton held for touchdowns on their five yard line to start the second period. Princeton made two first downs, Dignan making 15 yards through tackle and then punted to Yale's 34 yard line.

Two offside penalties for Princeton and an exchange of punts gave Yale the ball on Princeton's 45-yard line. Yale completed another forward pass, Pond to Cottle for 15 yards. Princeton stopped this rush by intercepting a pass on the Tiger 22-yard line, but Yale responded by intercepting a Princeton pass on Princeton's 44-yard line. Allen passed eight yards to Pond and then Scott, substituting for Allen, missed a 40-yard drop kick.

LABAMA is claiming the mathematical football championship. This at least shows the boys can be easily satisfied.

It seems unfair to call Red Grange the Babe Ruth of the gridiron. Mr.

Grange is fast but he has never been arrested for speeding.

A mathematical football championship is something like a three-dollar suit. It looks pretty but you would never wear it out in the rain.

In view of the humiliating circumstances, the only thing Harvard can do is to drop Princeton from the 1925 schedule.

Bat Siki came to life the other night and knocked a guy out. And

the funny part about it was he wasn't throwing coconuts.

Minnesota Upsets Dope By Beating Illini, 20-7

Minneapolis—Minnesota upset the dope bucket in Big Ten conference circles here Saturday downing the Illini undefeated eleven 20 to 7 in a game that saw the famous "Red" Grange repeatedly stopped.

Only in part of the first period did the Illini have it over the Gophers, Grange going over in the first period for Illini's only touchdown.

In the remaining three periods a rejuvenated Gopher eleven was never seriously threatened, counting three touchdowns primarily through the brilliant work of Left Half Back Schutte.

Illinois won the toss and kicked off over the goal line. Lidsberg failed to make first down in three tries and

Track Stars Do Not Shine On Gridiron

New York—The attempt of football coaches to convert track men to the gridiron in an effort to make use of their speed has met with only fair success.

Chet Bowman of Syracuse, who steps the 440 mighty fast, is one of the few track men to gain fame on the gridiron, and Bowman is far from being a great player.

In football circles Bowman is known as a side-line runner. He usually runs wide with the hope of getting clear of the opposition. When he feels that there isn't much of a chance to get away he runs out of bounds, rather than cutting in and trying to pick his way through a broken field.

Possibly in so doing Bowman is acting under instructions but the practice doesn't impress rival players as to his greatness as a gridiron performer. Of course, when Bowman gets away there is no catching him.

Other speed merchants of the track who have been pressed into gridiron service this fall are Brooks of Iowa, Kinsey of Illinois as well as several others not so noted.

Schutte, Minnesota, made 23 yards on the first play after the kick-off but Illinois braced and knocked down a forward pass. Again Grange was downed almost in his tracks when receiving a punt.

Illinois punted back and Schutte made fifteen yards around left end to Illinois 38-yard line. Minnesota missed two passes and Illinois took the ball on her 36-yard line. Grange tossed a short pass to Kassel but failed to make first down. Graham ran back Britton's punt 15 yards to Minnesota's 35-yard line. Zuppke Grid's Most Superstitious Coach

Coach Bob Zuppke of Illinois realizes football victories are won on moral, yet he is the most superstitious individual in all the world.

The number of "Red" Grange is 77. Zuppke is well aware that in African golf, 7 is a potent number. He has supplied Grange with two of them.

Last season Illinois tied with Michigan for the Big Ten title. This year Zuppke insisted every man wear the same numerals as last season.

They do say that Mrs. Zuppke once made a trip to Minneapolis for the Minnesota game. Illinois was soundly routed. Mrs. Zuppke makes no more trips to the Minnesota game.

MOTHER WON HIM OVER
Incidentally Mrs. Zuppke must occupy the same seat at all the games played in the Illinois stadium.

The story goes that a number of years back a certain student who didn't have a chance in a thousand came out for the football team.

Just about the time Zuppke was about to tell the young man he was better qualified for some other sport, he received a letter from the boy's mother, telling him of her great pride in having a son fighting for Illinois and that she constantly prayed for the team's success.

IS STRICT DISCIPLINARIAN

Zuppke is a strict disciplinarian. He doesn't feel that sympathy and sentiment have a place in football, yet the mother interest won him over.

For three years he carried the young man on the squad and gave him a number of chances to break into the lineup in games that were clinched.

"Just didn't have the heart to fire the young man from the squad after I got that letter from his mother," explained Zuppke.

"And who's more I didn't want her to stop praying for Illinois."

So after all, mother interest can set under the tough hide of a major college coach, who is up against so many problems that he becomes more or less hard boiled in his viewpoint.

Once upon a time Illinois rosters, at a certain away-from-home game, decided to change their cheering section.

SHIFTED CHEERING SECTIONS
Several previous visits of Illinois to that city had resulted in victories. Zuppke was wild when he learned the student body had changed sections.

Since victory means much more than advantageous seats, the tickets which had been distributed were collected.

NEW FIRST NATIONAL PICTURE, DIRECTED BY JOHN M. STAHL, IS UNIQUE ROMANCE

Carrying out his policy of exhibiting only the best productions for Elite theatre-goers, Manager Duffy has succeeded in getting John M. Stahl's latest masterpiece "Husbands and Lovers," for a three day run in the Elite Theatre beginning today.

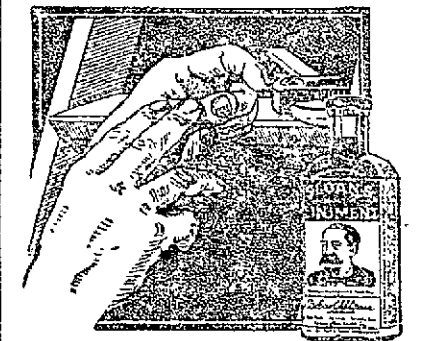

It is rated as not only one of the best pictures of the season but one of the finest entertainments to watch the screen this year.

Probably the foremost of the many great qualities to be found in "Husbands and Lovers" is its absolutely true portrayal of life. Based on the intricacies of domestic happiness, the story presents people and situations that are familiar to everyone.

Three main characters, two men and a woman, hold the spotlight but not as the eternal triangle. There is a romantic triangle, to be sure, but it is a new one and is handled in a new way.

Clever, subtle comedy is the outstanding element of "Husbands and Lovers," although the picture con-

KIN OF FRANKLIN FOUND IN NEVADA

Grand Nephew of Statesman and Inventor Is "Freeholder" of Dam Site

By Associated Press

Sattley, Nev.—Back in the middle ages Franklin meant freeholder and John Henry Franklin known to residents of this section as "Long John" and reputed grand nephew of Benjamin Franklin is running true to form. He is a freeholder of a tentative dam site near here and in the summer months lives in a log cabin there residing in Sattley during the winter.

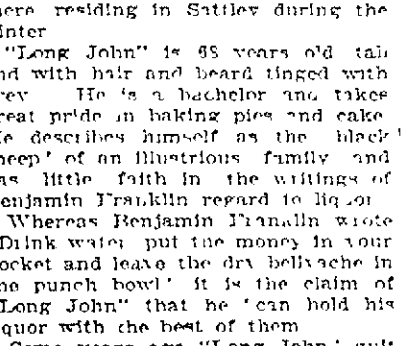

"Long John" is 45 years old tall and with hair and beard tinged with grey. He is a bachelor and takes great pride in baking pies and cake. He describes himself as the black sheep of an illustrious family and has little faith in the writings of Benjamin Franklin regard to liquor.

Whereas Benjamin Franklin wrote "Drink water, put the money in your pocket and leave the dry bellyache in the punch bowl," it is the claim of "Long John" that he can hold his liquor with the best of them.

Mullenbach, P. W. Orr, J. C. Lymer and C. S. Dickinson, Appleton.

CITY OFFICIALS THERE

Appleton city officials also paid their respects to the memory of Dr. Plantz. They met at the city hall and came to the chapel in a body for the services. The Rotary club, of which Dr. Plantz became an honorary member only recently, did likewise.

At a few minutes past 11 o'clock the hearse arrived at the chapel bearing the president's casket. It was conveyed down the aisle preceded by Dr. J. A. Hoad and in charge of the funeral service, and Dr. W. S. Naylor, dean of Lawrence college, who was in charge of the public memorial program. The active bearers walked behind the casket. They were H. W. Hatton, New London; L. G. Rosebush, M. A. Wertheimer, Kaukauna; James A. Prof. O. P. Fairfield, Prof. J. H. Farley, Charles O. March and Norman Brokaw. Dr. Holmes read Bible passages from John, II Corinthians and Revelation as they walked.

Fullinwider quartet opened the service by playing Tschakovsky's "Ardente Cantabile" and the Schola Cantorum, which is the large Lawrence college choir, sang "Sanctus" from Gounod, with accompaniment on the organ by LaVahn Maesch. Mrs. Winifred Wilson Quinlan carried the soprano solo parts.

Passages from I Corinthians, chapter 15, were read by Dr. Virgil E. Scott, in which it was said that "Death is swallowed up in victory" and "Be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord."

Dr. H. E. Peabody's prayer which followed described the death of the educator as the celebration of the commencement day in the life school of great service and joy. Death to him was not as one surprised and defeated by an enemy but as one on whose shoulder the Master had laid a kindly hand and said, "Come, go higher." The pastor's eulogy, for the great service Dr. Plantz had rendered and prayed that his program may be fulfilled for the great army of students. Joint-Ease
For Swollen Joints

Most remedies fail but Joint-Ease succeeds.

It's for joint troubles only, whether in ankle, knee, hip, elbow, shoulder, finger or spine—whether rheumatic or not.

It lingers up stiff, inflamed, painful, creaky joints so quickly you'll be astonished.

Two seconds' rubbing and away it goes through skin and flesh right down to the bone and ligaments—that's why it succeeds. Ask Voigt's Drug Store, Schlicht Bros. Co., or any reliable druggist.

Always remember, when Joint-Ease gets in joint agony gets out—quick.

PLANTZ AS A NEIGHBOR

Dr. J. H. Tippet, speaking for the pastors of Wisconsin, said he had lived as a next door neighbor for eight years to the parents of Dr. Plantz and to them as splendid people. Dr. Plantz came naturally by his quiet humor from his father and by his deep affection for his fellow men through this quality in his mother. His influence grew after he came into Methodist conference circles and no man was more trusted and beloved than he because he never lost the human touch—his hand always was extended to the man in the lowest position as well as the one in the highest. It was Dr. Plantz who wrote the world peace resolution at the recent Springfield conference after a large committee had failed. The doctor once wanted to study for law but when asked in early life to speak at a church gathering in a country schoolhouse tasted the power of the ministry's influence and prepared for that work. His fortune was not in riches but in a good name and a reputation such as he built.

L. M. Alexander, president of the board of trustees of Lawrence college, was able to reach this city from his travels in time for the funeral and therefore gave the message for the board in place of Judson G. Rosebush. The latter spoke on Dr. Plantz's public interests.

PLANTZ AS PRESIDENT

Mr. Alexander said that in his service of more than 25 years he had known five presidents of Lawrence college, but none whom he gained such intimate contact as Dr. Plantz. He heard the president declare year after year in speaking to an audience of his aims for Lawrence college that "with God's help I will make this institution what I believe the coming students most desire and one in which the citizens of Appleton would take great pleasure." That aim has been more than fulfilled, said Mr. Alexander.

"For 30 years," said Mr. Alexander, "Dr. Plantz has been one of the most tireless, thoughtful, prayerful and careful builders of what is now one of the recognized colleges of the country in standard of its teaching as well as in the character of its graduates." The business acumen of the college head also was referred to, especially where it was said that his ability enabled him to out-trust sessions of a week or ten days in years past to meetings lasting an afternoon and evening, yet with more weighty matters to be handled today.

PLANTZ AS A CITIZEN

Quoting John R. Mott, Judson G. Rosebush said it is difficult today to find a first class man. The people are "dead" and the Schola Cantorum, which is the large Lawrence college choir, sang "Sanctus" from Gounod, with accompaniment on the organ by LaVahn Maesch. Mrs. Winifred Wilson Quinlan carried the soprano solo parts.

Dr. H. E. Peabody's prayer which followed described the death of the educator as the celebration of the commencement day in the life school of great service and joy. Death to him was not as one surprised and defeated by an enemy but as one on whose shoulder the Master had laid a kindly hand and said, "Come, go higher." The pastor's eulogy, for the great service Dr. Plantz had rendered and prayed that his program may be fulfilled for the great army of students. He asked that the followers might fulfill the work Dr. Plantz began, that they might be kind and more true to the duties in which he led the way. "Earthly honor and distinction fade in the presence of death," Dr. Peabody said, "but Dr.

Dr. D. S. Naylor announced, before beginning his address, that his father had come here all the way from La Crosse to pay his respects to Dr. Plantz.

LEAVES MONUMENT

No monument to Dr. Plantz ever will be greater than that which he has built on the campus, said Dr. Naylor in his message from the faculty. Three buildings—30 years ago have grown to a score, he said. An endowment of \$100,000 30 years ago now is \$3,000,000; a faculty of a dozen is now an enrollment of 200 students; now is nearly 1,500; a struggling college of 30 years ago now is a dominant institution of the west.

Stone, brick, land, mortar, bonds and endowments do not spell the monument he raised, said the speaker, for his monument was the character in the students. That was the thing for which he labored and which he drew to him. He built one structure after another to house those whom he hoped to transform. Coming from an ancestry of long life, his zeal and hard work really cut 30 years from his life and it could be said truly that a martyr was being honored today. Dr. Plantz often said it was the soul of culture that is the cure of the soul.

Dr. Naylor also described the insistence of Dr. Plantz that the faculty and the entire college breathe a christian atmosphere that could not help to touch everybody with whom it came in contact. The president at first said he would go to a great city when he retired so he could buy a big house, but he became so attached to Appleton and his work that he bought a home here two years ago.

BOARD WILL ASK
RETURN OF \$5,000
PAID TO BOTTENSEKVotes to File Claim Against
Estate of Late Probate
Judge

A claim for \$5,000 as illegal salary will be filed by the county against the estate of the late Judge John Bottensek of the county court, as the result of action taken by the county board of supervisors at the Monday morning session.

The matter was brought back for consideration following postponement of action on the report of the committee to conduct an investigation as to legality of the increase in salary granted by the state legislature upon the request of the county board.

The committee has reported that on the opinion of the state attorney general held the increase illegal and that a claim could be filed against the estate for the amount illegally drawn. No particular course of action was recommended by the committee.

John H. Lonsdorf, district attorney, while present at the board meeting, informed the board that it might file a claim now in order to protect itself and later decide whether it should press the claim. It is understood that the late judge was under bonds of \$3,000 and that the securities company might be held liable. The board thereupon accepted the report of the committee and authorized the district attorney to file the claim.

officials. F. J. Harwood of this city a trustee of Ripon college, spoke in his stead, reading a message from Dr. Evans. Tribute was paid to Dr. Plantz for his work and influence among the colleges of the state. Much of the cooperation existing there was due to his work. Whatever road for the future holds for Lawrence, said the message, the achievements of Dr. Plantz will never be surpassed.

The casket was taken out of the building as LaVahn Maesch played Handel's Dead March from Saul. The funeral procession was formed on Union-st., headed by college students marching afoot, and by cars containing clergymen of the city. Honorary bearers came next, then the active bearers, the hearse, the family of Dr. Plantz, city officials, Rotarians and the citizens in general. The route followed to the cemetery was via Union and Pacific-sts and last rites were conducted at the grave.

MEETING BESPEAKS GREATER INTEREST IN COUNTRY SCHOOLS

Points Out a Little More Neighborhood Pride Means More Help

Reminding the county board of supervisors that the county school superintendent's office is managing a half million dollar business, Superintendent A. G. Meating Saturday declared that the schools of the county are just as worthy of the county fathers' interest as the highways which take a share of taxpayers' money.

Records of all school districts during the year amounted to \$486,845.72, while the disbursements aggregated \$362,014.67, leaving a combined balance in all district treasuries of \$124,831.05. Of the total revenue, \$164,000.00 was collected in district taxes, the remainder consisting of state apportionment, special state aid, county school taxes, loans, sale of bonds, tuition, sale of property, etc.

Mr. Meating reported that Outagamie county last year had 41 first class rural schools. There are 113 rural schools in all. With but a slight effort the number of first class schools could be increased to 160, he said. By a first class school is meant one that has a school year of nine months, buildings that meet state requirements as to heating, ventilating, equipment, playground apparatus, supplementary readers, supplies, interior decoration and the quality of teaching. Such schools receive special aid.

CHANGE COSTS LITTLE
All but half a dozen buildings in the county could be brought up to the standard at slight cost. Several old buildings have been remodeled this summer so that they meet all requirements at a cost of less than one year's special state aid. The most serious requirement is to change the windows so that the light will come from the rear only, or from the rear and the left side of the pupils.

Districts 1 and 4, Freedom, 2, 3, 5, 11 joint and 3 joint, Cicero, and 10, Greenville, have made this change within the last two years. Beautiful new buildings have been erected in District 4 Deer Creek, and 3 Jt. Seymour. Combined Locks erected an imposing graded school and is now occupied. Kimberly is building a \$30,000 school that will match any school for its size anywhere, the superintendent reported.

"We are not advising the erection of new buildings at this time," said Supt. Meating. "All that we ask for is popular neighborhood pride in making the building now in use comfortable, neat and attractive. The response of most communities has been gratifying indeed."

TIME FOR ECONOMY
"This is a time for economy. Economy does not always consist in the saving of money. Money may be spent foolishly. The money spent by this county on education has not been wasted. There is a waste, however, in our educational system that is serious. The teacher turnover is a real loss. More than one-third of the teachers in Outagamie county are new— inexperienced—each year. Another third changes positions. Now it takes the best teacher two or three months to get a school working up to its full capacity. It is sometimes possible to keep a teacher more than one year. Some should be kept longer. Most of them would give their best service if kept in the same school year after year. Each of us has some peculiarities that others do not like, but the only fair measure is quality of service rendered. Teachers, as a rule, do not leave because of salaries, but because of personalities that creep into their work."

Mr. Meating called attention to a new course of study introduced, Accident Prevention, and distributed among the supervisors copies of the textbooks prepared by himself and Judge Oscar C. Werner.

Great emphasis, he said, is being placed on supervising study. "It is our opinion that schools have not heretofore given enough attention to teaching children how to study," he declared. "We have started a movement that requires teachers to work with the children to show them how to study." He then described how pupils are directed how to search for the facts of importance in the lesson, how to classify and how to think logically.

Among the special activities of the last school year Mr. Meating enumerated the Junior Red Cross work, observance of American Education week, the county and Good speech week, participation in the essay contest of the Wisconsin Manufacturers' association, county field day, county commencement day, entries at the state fair, pig clubs and

TWO STANZAS OF HYMN DEDICATED TO EDUCATION

It is not generally known that the national hymn, "America," by Samuel Francis Smith, originally contained two stanzas in addition to the four now usually sung. Both stanzas are dedicated to education, and the United States bureau of education is reviving the forgotten stanzas for use in American Education week which will be observed next week. The stanzas are as follows:
Our glorious land today,
Teach education's sway,
Sons upward still,
Its halls of learning fair,
Whose bounties all may share,
Behold them everywhere,
On vale and hill,
Thy safeguard, Liberty.

The school shall ever be—
Our nation's pride;
No tyrant hand shall smite,
Wield with encircling might,
All here are taught the Right,
With Truth allied.

These Sharp Days Demand Warm New Coats For Real Comfort

A SMART NEW COAT of warm new fabric and trimmings of deep fur is the only possible fortification against these sharply cold days. The newest coats are smartly designed for warmth. The silhouette is closely-wrapped without cold flarings. Fur collars add a great deal to their warmth, and their fabrics are warm.

This sudden coming of colder days has brought more new coats into Pettibone's stocks. Our New York agent has been waiting for just this drop in the thermometer to buy the best bargains he could find. The result is that these two prices are special values this week.

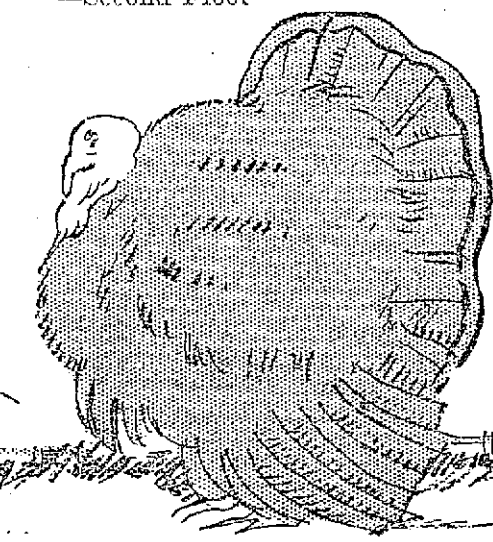

\$29.50 - \$59.50

These coats are made of fine Bolivia cloths, of new suede finish fabrics, and soft woolen materials. The smart shades of brown are shown in all the new variations. There are the popular greys, and black models.

Special attention was given to the selection of these furs. The success of a coat really depends on the quality of its fur collar. Furs must also blend beautifully with the color of the coat's fabric.

These coats are well lined—some of them are interlined for extra warmth. They are very smart, and there is a complete range of sizes. Special bargains are shown in the \$29.50 and \$59.50 price groups.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards' well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.
